

INTERNATIONAL CHILDREN'S GAMES 2019 – Ufa, Russia

It is that time of year when attention is turning to the selection of the swimmers to represent Coventry at next year's Games. They are to be held in Ufa, Russia from 10-13th July 2019. There will be a contribution required from each swimmer towards the costs and these costs are TBC. As a guide it is approx. £300 in previous years (£250.00 to the Council towards the cost of the trip and £50 towards the Team Kit) with a deposit of £150 upon selection and payable as soon as possible after notification of selection.

Selection Criteria

Only children born between 2004 and 2007 inclusive age as at 31st December 2019 (12 to 15 year's olds) will be eligible to participate and MUST LIVE within the Coventry City Boundaries (i.e. parents pay council tax to Coventry City Council). The issue of where the swimmers live is a specific point in the Team Selection conditions of the competition by the City Council and must be adhered to.

The Team will consist of four boys and four girls, plus two swimming coaches, one male and one female. Full information on the Games can be found here <http://icgufa2019.ru/en/vidyi-sporta/> there are all the details of the competition to date.

For the selection this year we have to have the final list of swimmers, details, entries and digital photos & passport copies back to the council by beginning of January 2019 at the very latest. Due to this the selection criteria for the 2019 team will be Swimmers considered for selection from their performance in the events scheduled for the Games from any licensed competitive event from 01/10/18 until the 16/12/2016 e.g. Cov & Dists, Midland SC, Cov Open Meet, Northampton Winter Festival, Hillingdon Open, Club Champs & National Short Course etc. Performances at these Competitions will then be ranked and rated against FINA international points. Highest ranked swimmers in each event will then be selected until the allocated team size is reached. Some selections may be made to balance the team in terms of the Relays. A maximum of two swimmers per event can be selected.

The number of events that a swimmer can swim is 4 individual events plus two relays. The events available are still to be confirmed but in previous years they have been 50, 100, 200, 400m Free, 50, 100, 200m Backstroke, Breaststroke & Butterfly, 200m IM plus 4x100m Free & Medley Relays and Mixed Free/Medley Relay (2 boys/2 girls).

Selections

If you are wishing to be included in the initial selections for next year's Games please could I ask that you complete the attached availability form and return to Paul Wilson by Friday 7th December 2018 with all the relevant copies of passports & jpeg photo's (these will be destroyed if not needed in a safe manner).

Thanks

Jo Deakins
Club Programme Manager
