

# COCSC Parent Reps 2018

As a club we have a dedicated team of parents who are available to support you and your child with any swimming and welfare matters, The main aim of our parent representatives is to create a robust communication system between the whole squad including the coach so that everyone's feels welcome, included and informed. Hopefully this will take some of the pressure of the coaches especially on pool side and will enable them to give 100% of their session time to the swimmers.

All the rep's will be happy to help with any club matters including :-

**Navigating around the clubs website, gala explanation and entry, movement criteria, membership services, ranking systems, social events and fund raising ideas.**

The reps will also be working closely with our clubs welfare officer so if you have any concerns or issues with your child please let us know as soon as possible so things can be addressed promptly.

The rep's can be contacted on the emails listed below:
